PREFACE

This publication contains the geographic location plots of the photography on CHURCH DOOR Mission C595C, dated 23 November 1965. This photography has been made available to the US Government by the GRC. These plots are presented on a WAC format that has been reduced for convenience to approximately 60 percent of the original size. There are 4 plot sheets in this publication arranged in ascending order by control number.

The flight-line index on page iii indicates the approximate track of Mission C595C.
